Gurugram students honour labourers for their daily contributions

By - TNN | Created: May 2, 2019, 17:33 IST

Suncity School, Sec-54 organised a special assembly and lunch to honour and acknowledge the labour put in by the drivers, conductors, nannies, peons, house keeping, guards and all other employees for their incredible support & contribution to commemorate the occasion of International **Labour Day**.

Students organized the assembly to explain the importance and origin of this day. The students exhibited great exuberance, love and respect for them. This was yet another occasion to instil sanskaars and values in the children. As a mark of respect, the newly elected students' council members served lunch to all drivers, conductors, housekeeping staff, security and helpers like every year. The students made 'Thank You' cards for them. Each employee was given a card.

The employees were overwhelmed watching the assembly dedicated to them and expressed their gratitude towards the school management and students.
