

Class Assembly by the students of Grade I A

“Unity in Diversity”

‘Our culture, traditions, languages are the foundations upon which we build our identity.’

With this thought, students of Grade, I-A presented an assembly on Monday, 29th August 2022. Through their assembly they showcased our country's glorious heritage and rich customs, traditions and the numerous languages spoken around the length and breadth of our country. The children’s performances highlighted how people from different religions, castes and creeds all live amicably together here, undoubtedly united by the sole feeling of ‘being an Indian’ first and foremost.

The assembly began with seeking the blessings of the Almighty, followed by a thought and ‘word for the day’. The objective of the assembly was to help students understand the importance of unity in diversity. Students in the audience were introduced to the heritage and diverse traditions of our culturally rich country, ‘India’. The confident orators, dancers, singers, performers of Grade I who participated in the assembly enthralled the audience with

captivating performances wherein they presented the cultures of different states through short sketches. Students, all dressed up in the traditional attires from their respective states, added colour and vibrancy to the assembly.

The sheer exuberance of the assembly left an indelible imprint on young minds and helped them understand the cultural diversity in our country. The assembly concluded with motivating words by the Head of School, Ms. Nandita Mathur.
