

Class Assembly by the students of Grade I C

“Good Manners”

‘Respect for ourselves guides our morals, respect for others guides our manners.’

On Monday, 12th September 2022 students of Grade I C presented an assembly that aimed at sensitizing their peers about the importance of good manners. Good habits and manners reflect on a person’s upbringing, culture, social behaviour, and value towards society. They lead to success in life and inculcate values of honesty, truthfulness, loyalty, and sincerity in individuals.

The assembly began with seeking the blessings of the Almighty, followed by the thought of the day and the news headlines. The objective of this assembly was to help students understand the importance of good manners.

The students of I C performed a skit depicting different incidents involving a little boy who misbehaves with his friends and family. Later on, when realization of his mistakes dawns upon him, he makes amends by offering apologies to those he had hurt.

The session helped in making the children learn the importance of making the right choice of words and how our good behaviour helps us in going a long way forward.

It helped create empathy and awareness in the young minds about the feelings of others so that they grow up to become considerate and caring citizens of a civil society.

At the end, a beautiful poem was presented by the children which reiterated the concept of good etiquettes and manners.
